Total War: Shogun Wars www.amazon.com Total War: Shogun 2 The much anticipated follow-up to the much acclaimed and best selling PC title, Empire: Total War, has finally been released on the PC. Available on Steam, the game brings a new campaign, new features and new units to the crowning masterpiece of RTS games. The almost indescribable joy of playing a Total War game has now been made a reality by a game for people who love those games. www.digitalspy.com Hollywood's best acting talent is ready to take on a chaotic battle for global supremacy in Total War: Shogun 2. Check out what they can do in the trailer for this explosive-packed sequel. www.extremetech.com The best games on Steam are fighting it out to be crowned the best gaming platform, as the biggest gaming event of 2013 the Steam Awards takes place on Saturday night. And so we decided to run the empire total war mega trainer patch 13 v1.5 1.6. www.pcgamesn.com A free, enhanced edition of Steam's best-selling strategy franchise, Total War: Shogun 2, is coming to the PC next week. The new enhanced edition adds a ton of new features, an improved user interface and is supported by an updated version of the Total War: Shogun 2.. Empire: Total War Official Google+: Now updated to version 1.51. Total War: Shogun 2 was generally pretty well-received, and one of the reasons why Shogun 2 has played so well is because it built upon what was created in Total War: Rome 2, one of the best Total War games that we've ever played. Empire: Total War is making a transition back into a remake, and that's the focus of this grand strategy game. Empire: Total War is out on Feb. 26th, and you can grab it on Steam for \$30. www.gamespot.com Empire: Total War is a real-time strategy game where the playing field is the world, with over 200 countries and thousands of cultures, eras and troops to play with. All of these - along with the units and animals you can command - influence the outcome of the game. The set-up is like that of a grand chess board, with the world divided into hexes and each country occupying a tile. As players build up their
